### STORY MODE

#### Target the 820 hp full tune!

The well taken story mode has been powered up! A variety of scenes and events such as rivals cutting-in in the middle of the course and chases in which the rival catches up from behind has been added.... And other events in which players will enjoy tuning their car.

ADDITIONAL  
MODES!

### GHOST CAR BATTLE MODE

#### Decorate your car!

Look for your friends car data. If he has played this mode you will be able to compete with your friend's car. If you mark a good time, or win the race, you will be able to receive parts in which you can decorate your car with original decoration parts.

3

ADDITIONAL  
FEATURES!

### VS PLAYER MODE

#### Free bisect selection system is added!

The Maximum Tune VS racing has evolved to a more tactical and exciting battle. Players can now choose their direction toward each bisect that they encounter. Therefore players will not only require technical skills, but also setting options.

4

### 10 RIVAL BATTLE MODE

Outrunning all rivals!

5

### TIME ATTACK MODE

The fastest ghost appears!  
Challenge the record!

**ADDITIONAL FEATURES!**  
Free bisect select System  
is added!

## VS PLAYER MODE

EXAMPLE :

C1 OUTWARD start from  
Shiba-Koen park

**Only**  
the top runner  
can select a bisect!!

The top runner at the point can  
decide the direction in next junction  
by selecting one from two direction  
plates before the junction.

The Maximum Tune original 4 VS player mode has evolved and has become even more exciting!

The top racer can select the direction to head in at each junction. Reading how the course will change will be the key to victory as settings of handling and power will defer on each stage.

This new bisect select system allows the course to have a variety of over 100 types. The new feature will encourage hardcore players to play even more and would lead to stable income.

**ADDITIONAL  
MODES!**

## GHOST CAR BATTLE MODE

- A player can summon a friend's ghost car and race against it anytime he/she wants.
- The Ghost car data copies your way of racing which makes each car unique. The play itself is as if you are racing against a real player.
- Unlike the ghost car that appears on the Time Attack mode, the ghost car that appears in this mode is an actual AI car; therefore you can actually hit or block the car.

If your results are good, you will receive decoration parts for your car.

Decorate your car as you like.

Normal condition

With an aero wing

Full-painted & with decals

### How to select rival car

- Select from the friend list** : You can create your own friend list and use the list to find your friend anytime.
- Select from the revenge list** : A player can select one from the players' ghost cars that defeated your ghost car.
- Select by level** : A player can select one from the list sorted by level.
- Select by card name** : A player can select one by card name.

Get the crown by defeating the fastest Ghost car!

**The crown is the proof of the fastest among all!**  
Win the crown in each course!
