50

ANNIVERSARY

*The long awaited forth edition of the
Time Crisis series!
The infinitely evolving gun shooting game!*

TIME CRISIS 4

VOICE NAVIGATION enhances reality and supports your play!
Independent voice speaker

System Super 256
creates cinematic sequences.
Battles will unfold in unprecedented scale.

Clear enemies from every direction
Multi-Screen Battle

Voice navigation will draw players into the action.

Submersive effects

Player characters and support characters talk to the player directly through the independent voice speaker. The voices submerge the player into the atmosphere and story.

Guidance

The game flows seamlessly through cut-scenes and real-time action. Voice Navigation guides the player clearly through objectives so even a beginner can enjoy the game. Furthermore, the voice guides timing and weapon selection.

System super 256 recreates cinematic empowering dreadful enemies

High enemy numbers, various effects, beautiful background, complex lights and shadows; the new PCB generates hi-qu

The enemy's secret bio weapon is called "Terror Bite". An overwhelming horde surges at the players. Change weapons and blow them away!

Change scenes to clear the enemies. New system MULTI-SCREEN BATTLE

Clear enemies from the FRONT, RIGHT and LEFT scenes.

Throughout the game, enemies will attack from many angles. Players can change the scene by pointing the gun left or right outside of the monitor. Feel the thrill of clearing many scenes quickly with simple controls.

You can change the scene by pointing the gun outside the monitor following the pointer.

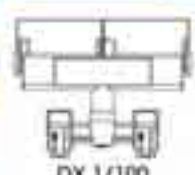

Dynamic graphics

Dynamic graphics
Diverse, high-quality battle scenes.

Futuristic Cabinet Design

Popular pedal system and weapon Select system remain intact!
